

AMPLITUDE [Volts] (top number)

POWER [picoWatts] (bottom number)

Use with viaDNA Remotes only

<https://viaDNAremote.com>

(version: 210422)

Notice power quadruples when you double amplitude 🗨

First-time users begin with 6 or 7 Volts; **green** amplitudes ✓

Seasoned users, or as-needed, can use **yellow** amplitudes ⚠

Please contact us if you plan to use **orange** amplitudes or higher !!
